RE: COMMENTS TO THE DRAFT STRATEGIC PLAN UPDATE 2008-2012

Dear Ms. Dudoc:

West Basin Municipal Water District (West Basin) appreciated the opportunity to participate in the Strategic Plan workshop on February 6, 2008. West Basin found the workshop full of great ideas, good input, excited participants and friendly staff. It was obvious that all comments and ideas were taken seriously, and that the Strategic Plan is considered close to acceptable by nearly all the stakeholders.

West Basin looks forward to seeing the final document and is also interested in learning more and perhaps participating in the potentially new forming "Consistency Ad Hoc Committee." Please feel free to contact me at 310 660-6245 for any further information. Your assistance and that of your staff is always greatly appreciated.

Sincerely,
